(**2) This is a benefit summary. Please consult the individual plan's Evidence of Coverage for more detailed information on benefits under the plan, including any related exclusions not contained in this benefit summary.

(***3) Percentage co-payments present a percentage of actual cost. When participating providers are compensated on a fee for service basis, the actual cost is the negotiated fee rate. In a PPO, percentage copayments for non-emergency services provided by non-participating providers are a percentage of usual, customary or reasonable rates or billed charges, whichever is less, and enrollees are also responsible for any excess amount.

(****4) Hospice benefits are available through the plan. Please consult the plan's Evidence of Coverage.
